</table>

Sl. No.	Suggestion	Action Taken
01.	Creating LinkedIn for the University, which enables all faculty members to tag their academic and research achievements / activities in the LinkedIn for better perception and propagation about our University.	LinkedIn and other Social Media accounts are created for better reach (Twitter, Facebook, WhatsApp Channel an YouTube Channel).
02.	To create reminder in Google calendar as and when an MoU is signed. This idea can be implemented for all the existing MoUs as well to have timely renewal action.	List of signed MoUs are regularly being updated and monitored on Pondicherry University website.
03.	Fund allocation for publishing research publication in indexed journal for the faculty members	The suggestion is in progress. The respective faculty members publications (2023) are being taken from SCOPUS / Web of Science to calculate the Impact Factor.
04.	To create reminder in Google calendar as and when an MoU is signed.	The Planning and Development Section and Dean, International Relations keeps track of MoUs on timely basis.
